

## 6 AYA KITCHENS AND BATHS (3 LOCATIONS)

With several locations in the GTA and surrounding area, AyA's spacious showrooms range from classic designs to sleek, modern styles. All of AyA's kitchens are made in the GTA, which means customers get the latest design at manufacturer direct prices. Creating a green kitchen is easy and affordable with AyA's EVO line of FSC-certified cabinetry that features eco-friendly exotic woods, like bamboo, zebrano or wenge, with no added urea-formaldehyde.

## 9 BARRYMORE FURNITURE

A Canadian tradition since 1919, Barrymore makes contemporary and traditional sofas, chairs, tables, chests, lamps, bedroom and dining room furniture. The custom-made furniture is available in hundreds of styles and a selection of thousands of fabrics, all on display in this factory showroom. The retail space overlooks the production line where you can see Barrymore craftsmen hand-building the quality upholstered furniture. Must-haves include the BelAir Sofa's tailored silhouette (from \$3,350) and the hand-carved Christopher Guy Ribbon mirror (\$2,550).
